Want to know more?

1 Presentation Training & Interactive Design:
How can we craft a speech that doesn't just dump data on our audience, but really connects with them in a **meaningful** way?

2 Job Communications & Personal Branding:
From job interviews, to business emails, to social media presence, how can we show who we are to the world in an **effective** manner?

3 Blended Learning for better sustained ROI:
With our limited time available to train, how can we maximize memory retention & bridge problematic **knowing/doing** gaps?

JOSHUA W. DAVIES

I WEAR 3 HATS- CURRENTLY SERVING AS FACULTY AT YONSEI UNIVERSITY, A COMMUNICATIONS COACH FOR LAM INSTITUTE, & AS THE TEACHER TRAINING COORDINATOR FOR KOTESOL. I UTILIZE A COMBINATION OF BRAIN-BASED METHODOLOGIES & HANDS ON PRACTICE TO ENABLE CLIENTS TO TURN MESSAGE INTO MEMORY.
